## HEALTHY SAVINGS in store!

### Managing allergy symptoms

**Pharmasave Facial Tissue**  
2 Ply 136's or 3 Ply 90's  
Limit of 6

**89¢** each

Allergies can happen at any time of the day – don't let them get the best of you. The right medications or products can help provide some relief, but it's also important to know what your triggers are and how to avoid them, whether you're inside or outside. Your pharmacist can recommend symptom relief options and prevention tips, including nasal sprays, oral medications or air-filter devices.

*Speak with your Pharmasave pharmacist.*
